ANTI-GLARE ACRYLIC SIGN HOLDERS

Anti-Glare sign holders have a non-glare matte finish to reduce the shine from light sources and improves the visual impact of your message. Scratch- and mar-resistant sign panels protect your signs to keep them looking new. Made from heavy-duty, acrylic — over 10% thicker than traditional plastic holders — for added durability.

SUPERIOR IMAGE® PREMIUM ACRYLIC SIGN HOLDERS

Sleek, beveled-edge sign holders highlight and protect your message. Sophisticated acrylic construction with green-tinted edges and silver post base provides the elegant look of glass. Repositionable posts allow your message to be displayed horizontally or vertically. Design securely floats signage between the two lightweight, durable, clear panels. Metal posts unscrew to easily change literature and frame orientation. Set the freestanding, slanted, sign holder on your table or counter for a quick, high-end display.
